Specializing with interactive, communicative and inventive language learning methodology through hands on, personal guidance. More than 40 years of proven experience in education, government and industry language programs!

INSTRUCTORS:

Do you want to teach language that students will remember? The ICI way is retained in the student's long-term memory!

STUDENTS:

Why learn a language? You learn a language to interact with peoples and cultures... Experience true language learning the ICI way!

YOU:

If you want to know what ICI is all about, I invite you to check out our Language Tip of the Week, programs, services and blog at icilangpro.com. You will become a new language learner and teacher

LANGUAGE SOLUTIONS BEGIN HERE.

Improve your listening and speaking skills!

- Language fairs and projects
- Brown bag language chats
- Instructor and student observation
- Image-based flash cards
- Translation, interpretation
